EpicCare Link is your easy, secure connection to Children’s Hospital of Richmond at VCU patient records, secure messaging and more.

Timely, transparent information for community providers and practices

EpicCare Link provides a more transparent flow of information between CHoR and community providers and covers all our services and locations. Login via your computer’s web browser to access the following information from your patients’ care with us:

- Lab, imaging and test results
- Important notifications and updates
- Hospital admissions
- Discharge summaries
- Consultation notes
- Orders placed by CHoR providers
- Future scheduled appointments

EpicCare Link can also be used to:

- Request consults
- Place orders
- Request appointments
- Send secure messages to CHoR providers

Request access today!*  

*Note: EpicCare Link replaced Patient Keeper effective December 4, 2021.

- Identify a site administrator for your practice.
- The site administrator will need to complete the Site Agreement Form and Site Provider List. They can request and submit these forms via email: EpicCareLinkteam@vcuhealth.org
- Once paperwork is received and processed, the site administrator will receive an email with usernames, passwords and EpicCare Link training materials.

Does your practice use Epic as its electronic health record?

If so, you do not need to register for EpicCare Link – you’ll have access to the same information via EpicCare Everywhere.
